III. 1 What did you like about the class?

I really liked the approach the instructor used to teaching jQuery.
Question and answer period.
I liked that we used a website to upload all of our work. I like that professor Burnett stepped in and went through all the missing information.

III. 2 What didn't you like about the class?

I didn't particularly like the text book. It seemed to have a good many typos.
I liked the class.
The beginning of the class was a bit rough because the teacher did not know what to start teaching.

III. 3 What improvements would you suggest?

Perhaps consider using a different text book.
Not much.
Making sure the professor is prepared for the class.

III. 4 What other classes would you like to see offered?

None.
